

## **NDP threat to BC families**

June, 2015

I remember when the NDP were in power in BC. All they seemed to care about was what was good for their union friends. While Canada was booming, they ran BC's economy into the ground. I got through one NDP government. I don't want to do it again. What would an NDP government in Ottawa look like? A lot like NDP governments in BC. [Watch our ad.](#)
